ORDER

Kentucky Rural Water Association ("KRWA") has applied for accreditation of three regional meetings held in January 2011 at which instruction was provided on energy conservation and efficiency and on federal water quality laws.

This Commission is required to "encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner's understanding of his or her responsibilities and duties."¹ Having reviewed KRWA's application, the Commission finds that the instruction in question will enhance a water district commissioner's understanding of his or her responsibilities and duties and should be accredited for 2.0 hours of water district management training.

IT IS THEREFORE ORDERED that:

1. KRWA's instruction conducted at its regional meeting on January 18, 2011 in Morehead, Kentucky is accredited and approved for a maximum of 2.0 credit hours of water district management training.

¹ KRS 74.020(7).

2. KRWA's instruction conducted at its regional meeting on January 20, 2011 in Owensboro, Kentucky is accredited and approved for a maximum of 2.0 credit hours of water district management training.

3. KRWA's instruction conducted at its regional meeting on January 27, 2011 in Draffenville, Kentucky is accredited and approved for a maximum of 2.0 credit hours of water district management training.

4. KRWA shall retain a record of all water district commissioners attending the accredited and approved presentation.

5. Within 14 days of the date of this Order, KRWA shall file with the Commission:

a. A sworn statement attesting that the accredited instruction was performed;

b. A description of any changes in the presenters or the proposed curriculum that occurred after KRWA's application; and

c. The name of each water district commissioner who attended, his or her water district, and the number of hours that he or she attended.

By the Commission
